

THE SPACING REVIEW PLANNER

Start with the finish line. Let recall decide the next gap.

1

NAME THE FINISH LINE

Plan for when the knowledge must be usable - not for a universal calendar.

ADJUST FROM PERFORMANCE

A miss is feedback about the item, cue, gap, or original learning.

EASY

Widen the gap

Recall was effortless.

HESITANT

Increase carefully

Keep useful effort.

MISSED

Shorten + repair

Fix the specific failure.

4

REPAIR ONE THING

Do not restart everything when one item fails.
